—PREFACE—

IN offering for sale this almost unknown collection, I would draw special attention to a few of the many rare and choice pieces : Lot No. 1058, the beautiful Pattern 1792 Cent, by Birch ; No. 1060, Martha Washington Half Disme ; No. 1066, Rare Pattern Half Dollar ; No. 1208, Uncirculated 1795 Thick Planchet Cent ; also, the magnificent Copper Cents of 1799, 1801, 1803, 1807, 1809, 1824, 1825, 1839 ; the three 1794 Dollars, Nos. 1528, 1529 and 1530 ; the Brilliant Proof Dollar of 1839 ; two Proof Sets of 1858. The collection is enriched with superb specimens of Ancient and Foreign Gold Coins, and also embraces many desirable Coins in the series of United States Colonials, Washingtons, Patterns, Mint Issues and Medals. Foreign Coins and Medals abound in great variety. The collection also includes Standard Numismatic Publications, Antique Jewelry, Minerals, etc,

This being an Executors' sale, the terms will be net cash before delivery. So my patrons need not be surprised at receiving their packages marked C. O. D. This, I judge, will make but little difference to the majority of them. No articles can be returned to the auctioneer for any cause whatever. Collectors purchasing through me can rest assured that they will receive their purchases correct, and that everything will *be made* satisfactory.

Hoping that my patrons will appreciate this unusually fine collection, I remain,

Truly yours,

JOHN W. HASELTINE.

DOLLARS.

480°	1528	1794 An unusually strong impression of this rare dollar, the dies being flat in many places, the stars on the left barely show; but in this they are well defined; hair lines all show except just back of the ear where the hair is smooth. In the field a name, lightly scratched, but scarcely discernible with the naked eye. Rev. bold and strong. Very rare and valuable.
77°00	1529	1794 The hair bolder and hair lines more defined than in the preceding, the two lower stars on left and figure 1 a trifle fainter. A slight nick or flaw in the planchet through "R" in Liberty, on the whole less circulated than the preceding. Very rare.
2050	1530	1794 The stars on the left and portions of the date very faint, the rest nearly all distinct. Rev. Legend only partly shows. Very rare.
250	1531	1795 Flowing hair. Curl touches the side of the star. Rev. 17 berries on wreath. Barely circulated. Rare in this condition.
225	1532	1795 Curl touches the top of the star. Rev. 19 berries on wreath. Barely circulated. Rare in this condition.
